(Presidio League ONLY) Each team must have (AT ALL TIMES DURING GAME) a team administrator/coach who has both of the following credentials: 1) a visible BLUE risk management card (current); AND 2) White CYSA administrator's pass for the current team that is competing (team number on pass must match team number playing—Team Number NO match, NO GOOD, NO Coach, NO PLAY, NO EXCEPTION). [Note: ONLY Exception is a letter on CYSA-S LETTERHEAD from Mike Chase (District 1 Commissioner), Carol Fleuret (District 2 Commissioner) or Rod Short (CYSA-S President). In this case the referee is required to keep the letter for liability purposes]

@ NO PLAYER PASS, NO PLAY. PERIOD!!!!

% For Del Mar/Carmel Valley Soccer League Recreational games laminated player passes are not required.

^ For Del Mar/Carmel Valley Soccer League Recreational games the administrator/coach ONLY needs to have a BLUE Risk Management Cards.

* Minimum number of players for each field. If a team only has 5-6 players, then it is suggested that the referees only use one of the two fields provided for these age groups or alternatively ask the teams to distribute players evenly (via loan players) amongst the two teams so two games can be played.

Note: For Referee convenience and player safety a Blue Line two yards outside of the touchline is provided on each field by the Del Mar/Carmel Valley Soccer League. We suggest that NO Spectators, Substitutes and/or Coaches be allowed between the Blue Line and the touchline.
